

## CAREER TRACK ACTION PLAN

**Use the following questions to help create the Action Plan you will use to complete this program:**

-Why do you feel as though you were not successful in completing your high school program?

-What skills do you have and what do you feel you are good at?

-What career would you like to have?

-What roadblocks have hindered you from pursuing this career path?

-What can you do to overcome those obstacles and ensure you will be successful in this program?

-What kinds of resources do you feel you will need to help you along your journey?
